

MID-CAROLINA ELECTRIC COOPERATIVE, INC.

**SCHEDULE R
RESIDENTIAL SERVICE - IMPROVED GOOD CENTS**

AVAILABILITY

Available only to those members who were receiving residential service under this rate on September 1, 2002, subject to the Cooperative's Service Rules and Regulations. This rate shall cease availability upon termination by Santee Cooper.

APPLICABILITY

Applicable for use in private residences and single-family dwellings built prior to July 1, 1988, and certified under Mid-Carolina Electric Cooperative's Good Cents "Improved" Home Program and presenting the Cooperative's Good Cents "Improved" Home Certificate upon application for service. Each residence or each dwelling unit will be served by a separate meter. The kWh used under this Schedule may not be resold or shared with others.

RATE (per month)

This Rate is a Rider Schedule to the Cooperative's Schedule D

Good Cents "Credit"	\$.0050 per kWh (through September 30, 2016)
Good Cents "Credit"	\$.0033 per kWh (October 1, 2016 - April 30, 2017)
Good Cents "Credit"	\$.0017 per kWh (May 1, 2017 – April 30, 2018)

May 1, 2018, the credit will end, and the program will be completely phased out.

EFFECTIVE DATE

For all bills rendered on or after October 1, 2016.
